

OG-150-RU OFF-GRID

WEEKEND USE of COTTAGE

A weekend off-grid cottage system provides reliable power for occasional use, storing solar energy in batteries for use when the sun isn't shining. Designed for efficiency, it powers essential appliances and lightings, mini fridge, coffee maker, and TV without relying on the grid, making it perfect for remote getaways.

OG-150-RU SYSTEM PACKAGE INCLUDES

- 6 500W Solar Panels [3 kW DC]
